Cell No 98208-25129

Respected Sir/Madam,

We are one of the leading Export Import Container/Tankers FCL/LCL and Ship Freight Booking and Bonded as well as normal warehousing company !!

In the recent pandemic and thereafter, the availability of containers/slots is negligible or the exporters are facing acute shortage of containers for the destinations where they want to export. Comparatively Freights have been increased. Thus making the exporters/importers less competitive and fall short of the goals set by each individual exporter or importers goods or lack of proper logistics services.

We are keen to offer our free advisory services and help the exporters resume the exports or achieve their targets by guiding them properly in regards to container positions, ship schedules , economical freight rates-clearing services and transportation too for LCL or FCL. Even if Exim Licences have been a issue – we will offer solutions !!

Please read further details about our complete range of logistics services & oblige ..

Dear Sir/Madam,

Sub: All Logistics Services Under One Roof – Container Booking, Transport , Clearing & Door Delivery at Destination

We are pleased to introduce ourselves as a complete logistics solution providers till the last mile.. We have mastered the art of offering such services. Right from Booking Containers on Reputed Shipping Lines along with Trucking additionally Clearing Forwarding and Monitoring Door Deliver Overseas. We ensure that your valuable goods remain safe and secure with us, at the same time reach in time at the destination as assured.

For Exports, we offer many Customers / exporters to bring their goods in Part-loads from various manufacturing basis and ask us to place the containers at our premises so that the consolidation can be done and the container is then shipped on our own 20 or 40ft vehicles. We also facilitate Factory stuffing permissions on case to case basis so that you save the CFS clearing charges and the container is ready for Direct port entry.

For Imports, we have the expertise to de-stuff the Customers/ importers cargo at our warehouse and re-distribute the segregated cargo, if required - with fresh MRP labels/Stickers, Lashing, to be sent to various depots and cities of the customers/factories or their distributors. The cargo is either sent in closed bodied trucks, open trucks, LCV's, or Parcel services as suitable to the customer.

Export /Import Cargo Transportation is our forte from past 40 years **We cater with a fixed fleet of** Vehicles 20/40ft flat beds of various categories & specifications with a daily handling capacity of 2000 M Tons + Gross tonnage

Integral Shipping & Logistics Inc.

For Cross Docking, we own our own 40/20 ft ISO Containers wherein you as a customer can order your import cargo container from the ports, in our Trailers and do cross docking. The moment you issue instructions for shipment of the containers we will send the goods to your destination in our 20/40ft trailer. This process also saves you of space constraint at the factory / or distributors depot. You nearly save 40%, of what you would have ended up paying in demurrages to the shipping lines.

Warehousing services is a natural extension of our expertise services, whilst handling cargo with due care and safety. Our Warehouses are located on the Mumbra-Shil-Phata-Taloja-Klamboli – Jnpt Port Road, being the main Transit point for export import cargoes, arriving from South West North of India states. It is spread across 3.5 acres consisting of 20,000 ft RCC and 1,00,000 sq ft open space, can be used as a HUB for Segregation, Consolidation or for Cabot-age, so that you derive maximum from your freight costings.

Our Company is well equipped with latest

: Self Loading Trucks – fitted with Hydraulic cranes worlds no 1. M/S. PALFINGER Cranes.

Man Lifts & Boom Lifts of the most reputed brands JLG & Genie.

P&H Cranes, Yale Forklifts,. & F 15.

In addition to this we assist insurance survey, **Banking & Excise Co-ordination too.**

The founder of the company Mr. Kashyap P Kapadia is in the logistics industry since 1987- more than 3 decades of worldwide experiences in the field of Transportation, Warehousing & Logistics.

He heads the day to day Operation & Marketing Management activities of our organisation.

He is instrumental in getting the turnaround time of our vehicles reduced by 1/3 as compared to the original trip time taken by our drivers, inspite of the heavy congestion at the ports. The latest improvisation is the implementation of all the staff by Walkie Talkies in addition to cell phones.

He is available for clarifications, problem sorting, either from the operation levels or from the customers point of view. He believes that Customer is the King.

For ODC Cargoes for Open warehousing & Iron and Steel Shipments are also handled by us with expertise and ease. We have our own 60 – 100 ton- Cargo lifting Cranes, with our own well trained labor gangs available round the clock.

New Exclusive ,
articulated Boom lifts 60ft
to 120 ft. on monthly /
yearly rentals...
for factory Maintenance ,
Cleaning, Constructions,
